ORDER DENYING PETITION FOR LAND USE DECLARATORY ORDER

On October 8, 2002, the Department of Planning, County of Maui ("Petitioner), filed a Petition For Land Use Declaratory Order ("Petition"), pursuant to section 15-15-98 et seq., Hawai‘i Administrative Rules ("HAR"), and section 91-8, Hawai‘i Revised Statutes ("HRS"). Petitioner sought a declaratory ruling from the Land Use Commission ("Commission") that clarified the interpretation of sections 205-2 and 205-4.5, HRS, as to whether and when any religious use on land within the State Land Use Agricultural District required a special permit pursuant to section 205-6, HRS.

Petitioner specifically requested that the Commission determine whether Hale O Kaula, Inc. ("HALE"), a religious organization, was required to obtain a special permit to use its 5.85-acre agriculturally-designated parcel located at Anuhea Place, Pukalani, Maui, and identified as TMK 2-3-08: 32, for Sunday, Friday night, and at least one additional night during the week for exclusively religious uses either outside of or
within HALE’s existing agricultural building where the primary use of the parcel would continue to be agricultural.¹ Petitioner noted that HALE’s claim that the religious use would be secondary to the primary agricultural use of the parcel raised a question as to whether the presence of multiple allowable and non-allowable uses on the parcel required that a special permit be obtained for the non-allowable uses even if said uses were not the primary use.

On October 28, 2002, Petitioner filed a Supplemental Exhibit To Petition For Land Use Declaratory Order Filed October 8, 2002.

On November 15, 2002, Charles H. Hurd, Esq., counsel for HALE, filed a letter requesting that this Commission dismiss the Petition for lack of jurisdiction.

On November 21, 2002, the Office of Planning (“OP”) filed a Memorandum In Response To Department Of Planning, County Of Maui’s Petition For Land Use Declaratory Order Filed October 8, 2002.

On December 5, 2002, the Commission met in Honolulu, Hawai‘i, to consider the Petition pursuant to section 15-15-100, HAR. Madelyn S. D’enbeau, Esq.,

and John E. Min appeared on behalf of Petitioner. John W. K. Chang, Esq., and Abe Mitsuda provided testimony on the Petition on behalf of OP.

At the meeting, the Commission pointed out, among other things, that pursuant to section 15-15-102(4), HAR, the matter was not within the jurisdiction of this Commission given that section 205-6, HRS, provided the counties with the authority to grant special permits for certain unusual and reasonable uses involving lands that are 15 acres or less within the Agricultural District.

Thereafter, a motion was made and seconded to deny the Petition. Following discussion by the Commissioners, a vote was taken on this motion. There being a vote tally of 7 ayes, 0 nays, and 2 absent, the motion carried.

ORDER

Having duly considered the Petition, the written and/or oral arguments presented by Petitioner, HALE, and OP, and a motion having been made at a meeting conducted on December 5, 2002, in Honolulu, Hawai`i, and the motion having received the affirmative votes required by section 15-15-13, HAR, and there being good cause for the motion, this Commission ORDERS that the Petition be DENIED.
