Dear Mr. Ching:

Subject: LUC Docket No. SP87-362 Department of Environmental Services

This constitutes the sixth monthly status report requested in your May 13, 2004, letter. With the exceptions noted below, our responses to specific items remain the same.

The "Interim Report on Landfill Siting" and the "Interim Draft report on Socio-Economic Impact Assessment of a New Municipal Solid Waste Sanitary Landfill," were submitted to City Council on November 3, 2004. The reports reflect work done before September 22, 2004.

The City Council Committee on Public Works and Economic Development selected the Alternative Disposal Technology Park (TMK 9-1-26:33, 34 and 35) as the new landfill site. The resolution will be placed on the December 1, 2004 Council meeting agenda for action.

Please contact Wilma Namumnart of the Refuse Division at 692-5378 if you have questions.

Sincerely,

A handwritten signature in black ink that reads "John C. J. Lee".

Director
