Subject: Letter of Support for Gentry Investment Properties – Motion for Order Releasing
Conditions 1–22 (tax map key: (1) 9-1-69:5)

Aloha Commissioners,

I am writing in support of Gentry Investment Properties' motion for an order releasing Conditions 1 through 22 as outlined in the findings of fact, conclusions of law, and decision and order dated January 2, 2004, for tax map key: (1) 9-1-69:5.

Gentry Investment Properties is a long-standing and reputable developer in Hawai'i, with a proven track record of responsible development. As a long-time member of the Building Industry Association of Hawai'i, Gentry has consistently demonstrated its commitment to quality, community, and compliance.

The Ewa Makai project has been completed in accordance with the conditions imposed, and Gentry has fulfilled its obligations with integrity and professionalism. I fully support their request to release the conditions, as they have met the requirements set forth by the commission.

Thank you for your consideration.
