Hello Mr. Sniffen,

I represent OPSD in the above matter. We would like to confirm OPSD planner Aaron Setogawa's discussion with Jeyan Thirugnanam from DOT Highways that after review of the Petitioner's third supplemental memorandum with additional documentation related to the conditions, DOT is satisfied that Petitioner has satisfied conditions 4 and 5 such that they may be released by the Land Use Commission at today's hearing.

Thank you,  
Alison Kato
