**MAHANA ESTATES SUBDIVISION
RESIDENTIAL WORKFORCE HOUSING AGREEMENT**

This Agreement is made this _____ day of _____, 2006, by and between MAUI LAND & PINEAPPLE COMPANY, INC., a Hawaii corporation, whose mailing address is P.O. Box 187, Kahului, Maui, Hawaii 96733, hereinafter called "MLP", and the COUNTY OF MAUI, a political subdivision of the State of Hawaii, whose principal place of business and mailing address is 200 South High Street, Wailuku, Hawaii 96793, hereinafter referred to as "County".

Background

1. By Ordinance No. 3358 ("Ordinance 3358"), the Council of the County of Maui ("Council") granted a conditional change in zoning to West Maui Project District 2 (Kapalua Mauka).
2. MLP has filed for subdivision approval of a 51-lot residential subdivision located on approximately 124.980 acres of land within Kapalua Mauka known as the Mahana Estates Subdivision, County Subdivision File No. 4.913 (the "Project"), said land being more particularly described in Exhibit A attached hereto (the "Property").
3. MLP represents that the Project will contain 51 residential lots and/or units with an anticipated 50% or more offered for sale for \$600,000.00 or more.
4. At the time Ordinance 3358 was enacted, the Council was considering establishing a new residential workforce housing policy.
5. Ordinance 3358 includes certain conditions of zoning including an affordable housing condition enumerated as Condition 11 ("Condition 11"), subsection (g) of which provides that any affordable housing policies adopted by the County prior to final subdivision approval which would result in a greater number of affordable units being required shall apply to Kapalua Mauka.
6. By Ordinance No. 3418, effective December 1, 2006, the Council established a new affordable housing policy for the County set forth in Maui County Code ("MCC") Chapter 2.96 entitled "Residential Workforce Housing Policy" ("Chapter 2.96"). Chapter 2.96 would require a greater number of affordable workforce housing units with respect to subject developments within Kapalua Mauka, including the Project, and thus by the express terms of Condition 11 Chapter 2.96 supersedes Condition 11 and applies to the Project.
7. In accordance with MCC §2.96.080, MLP desires to enter into this Mahana Estates Subdivision Residential Workforce Housing Agreement ("Agreement") with County to implement the provisions of MCC Chapter 2.96 with respect to the Project.

NOW, THEREFORE, MLP and County, in consideration of the recitals set forth above and the terms, covenants and conditions set forth in this Agreement below, agree as follows:

ARTICLE I - DEFINITIONS

Capitalized terms defined below shall have the following meanings when used in this Agreement:

ARTICLE II – RESIDENTIAL WORKFORCE HOUSING PROGRAM

A. Specific Requirements Applicable to the Mahana Estates Project.

1. Number of Units Required; Approved Satisfaction of Requirements.
Pursuant to MCC §2.96.040(A)(2), the Project is subject to a residential workforce housing requirement of 26 units. MLP has elected and agreed, with the approval of the Director, to satisfy this requirement as follows:

(a) Fifteen (15) of the required units (58%) are "for sale" Housing Units for the Below Moderate Income Group; this requirement is satisfied by applying MLP's fifteen (15) existing housing unit credits from MLP's sale of lots in the Kapua Village workforce housing subdivision, which are hereby surrendered by MLP and accepted by the County; and

(b) MLP shall satisfy the remaining eleven (11) required units by developing eleven (11) residential workforce housing units at MLP's Site 6-0 project (also known as Pailolo) or other site approved by the Director within the West Maui Community Plan region and renting those 11 units in accordance with Chapter 2.96 and this Agreement. Four (4) of those units (15%) shall be rented to qualified renters in the 120% to 140% income bracket, and seven (7) of those units (27%) shall be rented to qualified renters in the 140% to 160% income bracket. Rental Units will be offered for rent and occupancy no later than the time at

which homes at Mahana Estates are made available for occupancy by purchasers. Certificates of occupancy shall not be issued and/or final inspections shall not be passed for the market rate units in Mahana Estates unless certificates of occupancy are issued and/or final inspections are passed for the residential workforce housing units provided pursuant to this section concurrently or sooner. Subject to the approval of the Director, the units may be rented to special housing target groups identified by MLP as provided in MCC §2.96.080(A)(3). In accordance with MCC §2.96.070(E) such residential workforce housing units shall remain affordable for the life of the unit.

B. General Requirements Applicable to Sale of Housing Units.

1. Applicant Selection Process for Sale of Housing Units.

(a) Wait list procedure. MLP shall use the following procedure for establishing a waitlist for Buyers of Housing Units:

(1) MLP shall establish a wait list of interested applicants;
(2) Prior to initiating the wait list, MLP shall publish in at least five issues of a newspaper of general circulation within the County, a public notice that shall contain all information that is relevant to the establishment of the wait list. The public shall also be informed in a like manner, of any decision that would substantially affect the maintenance and use of the wait list; and

(3) Selection for purchase shall be made by a lottery administered by MLP and overseen by the Department, subject to the Applicant meeting the applicable eligibility criteria.

2. Eligibility criteria. In order to be eligible for a residential workforce housing unit, an applicant must meet the following minimum criteria:

(a) Be a citizen of the United States or a permanent resident alien who is a resident of the County;

(b) Be eighteen years of age or older;

(c) Have a Gross Annual Family Income (not to include the income of minors) which does not exceed one hundred sixty percent of the County's area median income as established by HUD. Initial determination for compliance with the maximum gross annual family income provision shall be made MLP for the initial sale of residential workforce housing units, on the basis of the information provided on the ownership application. The ownership application will be completed when a specific unit is being considered. Final determination for compliance with the maximum gross annual family income provision shall be made by the prospective lender at the time the Applicant's income verification data is received;

(d) Have assets that do not exceed one hundred sixty percent of the County's area median income as established by HUD. Assets shall include all cash, securities, stocks, bonds and real property. Real property shall be valued at fair market value less liabilities on such real property;

(e) For a period of three years before the submittal of the ownership application, have not had an interest of fifty percent or more in real property in fee or leasehold

in the United States, where the unit or land is deemed suitable for dwelling purposes, unless the Applicant is selling an Housing Unit and purchasing a different Housing Unit that is more appropriate for the Applicant's family size; and

(f) Pre-qualify for a loan with the Applicant's choice of lender.

3. Notification of change. Each Applicant shall be responsible for notifying MLP in writing of any changes in mailing address, telephone number, fax number, and/or e-mail address. If Applicant fails to properly notify MLP of such changes and MLP is unable to contact the Applicant, MLP shall remove the Applicant's name from the wait list.

4. Selection priority.

(a) Residents on the wait list shall receive first priority for the available units. Non-residents on the wait list may purchase a residential workforce housing unit once the wait list has been exhausted of all residents;

(b) MLP may do a mass mailing of housing applications to applicants on the wait list;

(c) The Housing Units must be offered to qualified residents in the order in which their names were drawn in the lottery, provided that there is a unit available in the Income Group for which they qualify. Non-residents will be offered residential workforce housing units in the order in which their names were drawn in the lottery; and

(d) In the event that Units are not sold or rented within the first ninety days after they are offered, and MLP has made a good faith effort, as determined by the Director, to contact and qualify Applicants on the wait list, the sale or rental of remaining Units shall be conducted as follows:

(1) For the next ninety-day period, Units shall be offered to the next-higher income preference group, at the original sales price or rental. For example, Units targeted for families earning up to one hundred twenty percent of the median income may be sold to families earning up to one hundred forty percent of the median income. All other eligibility criteria shall apply;

(2) Units shall be offered to the next higher Income Group every ninety days until the units are sold or rented or there are no more Income Groups available;

(3) Units shall then be offered to non-residents on the wait list in the order in which their names were drawn in the lottery, for the next ninety-day period, provided that the Applicant's income is within the residential workforce housing income groups; and

(4) Any for sale units that remain unsold may be offered at market rate without deed restrictions, provided that with the Director's approval they may also be rented in accordance with this Agreement until such time as a qualified buyer becomes available. Upon the sale of the unit, the County shall receive fifty percent of the difference between the original sales price of the unit and the actual market rate sales price, for deposit into the affordable housing fund. In this event, MLP shall still be deemed to have satisfied the requirement for producing a residential workforce housing unit.

5. MLP shall submit copies of the following information to the Department to verify the sale of Housing Units to eligible buyers:

(a) Applicant's completed ownership application;

- (b) Executed sales contract;

(d) Deed restrictions.

- (1) The unit must be owner-occupied;
- (2) The unit must remain affordable for twenty-five years from the initial sale, with the owner notifying the Department upon a decision to sell; and
- (3) Under special circumstances an owner of a residential workforce housing unit may appeal to the Department for a waiver of the owner-occupancy deed restriction; these circumstances would include, but are not limited to, assignment to active duty military or short-term contracts for off-island employment.

(e) Sales price - single-family dwelling units. The sales price of a new single-family dwelling unit shall be set by the Department, at the time MLP is ready to market the Unit, using the following guidelines:

- (1) A down payment of five percent shall be assumed;

(3) The price of a one-bedroom Unit shall be based upon seventy percent of the median income of the wait list area, adjusted to the respective target Income Group;

(4) The price of a two-bedroom Unit shall be based upon eighty-five percent of the median income of the wait list area, adjusted to the respective target Income Group;

(5) The price of a three-bedroom Unit shall be based upon one hundred percent of the median income of the wait list area, adjusted to the respective target Income Group;

(f) Sales price - two-family or multi-family dwelling units. The sales price of a new two-family or multi-family dwelling unit shall be ninety percent of the price of a single-family dwelling unit, as established in section 2.96.060(E).

(g) Resale price. The maximum resale price shall be established by the department using the following guidelines:

(1) An appraisal of the property shall be required before occupancy;

(2) A second appraisal shall be required upon a decision to sell the Unit; and

(2) Twenty-five percent of the difference between the two appraisals shall be added to the owner's purchase price.

(h) Foreclosures.

(1) The County shall have the first option to purchase the unit; and

(2) If the County does not exercise its right to purchase, the units may be offered at an affordable price, set by the Director, with the same deed restrictions.

The public shall also be informed in a like manner, of any decision that would substantially affect the maintenance and use of the wait list; and

(3) Selection for rental Units shall be made by a lottery administered by MLP and overseen by the Department, subject to the Applicant meeting the eligibility criteria established in MCC §2.96.100(B).

2. Eligibility criteria. The eligibility criteria for rentals shall be established on a project-by-project basis by the director in the following manner:

(a) If the project is receiving federal and/or state assistance, the applicable federal and/or state eligibility criteria shall apply; and

(b) If the project is not receiving federal and/or state assistance, the minimum eligibility criteria in MCC §2.96.090(B) shall apply, except for MCC §2.96.090(B)(6).

3. Notification of change. Each Applicant shall be responsible for notifying MLP in writing of any changes in mailing address, telephone number, fax number, and/or e-mail address. If an Applicant fails to properly notify MLP of such changes and MLP is unable to contact the Applicant, the Applicant's name shall be removed from the applicable wait list.

4. Selection priority.

(a) Residents on the wait list shall receive first priority for the available Housing Units. Non-residents on the wait list may rent a Housing Unit once the wait list has been exhausted of all residents;

(b) MLP may do a mass mailing of housing applications to applicants on the wait list;

(c) Housing Units shall be offered to residents in the order in which their names were drawn in the lottery, provided that there is a Unit available in the Income Group for which they qualify. Non-residents will then be offered Housing Units in the order in which their names were drawn in the lottery, provided that there is a Unit available in the Income Group for which they qualify;

(d) MLP shall submit copies of the following information to the Department to verify the rental of Housing Units to eligible Renters:

(1) Applicant's completed final rental application;

(2) Executed rental lease; and

(g) MLP shall follow the procedure in Section B.4(d) above if they cannot rent the Unit at the appropriate Income Group; and

Certificates of occupancy shall not be issued and/or final inspections shall not be passed for the market rate units unless certificates of occupancy are issued and/or final inspections are passed for the residential workforce housing units concurrently or sooner; and

Dear Mr. Pearson:

**SUBJECT: KAPALUA WASTEWATER ALLOCATION
KAPALUA MAUKA MAHANA
SUBDIVISION FILE NO.
TMK (2) 4-2-001: POR OF 042**

Wastewater Reclamation Division has reviewed the wastewater calculation and the request for assignment of allocation letter dated September 28, 2006, for the subject development and find it in accordance with the Lahaina Wastewater Reclamation Facility Expansion Agreement. Accordingly we will deducted 17,850 gpd from the Kapalua reserved allocation. This adjustment from the previously allocated quantity will result in 163,615 gpd in remaining capacity available to Kapalua projects.

If you have any further questions, please contact Mr. Arnold Abe or myself at 270-7417.

Sincerely,
