Dear Mr. Orodenerker:

**Annual Report on Land Use Commission
Docket No. A84-574**

On behalf of Mauna Kea Resort Services LLC, we are submitting the following annual report on the status of the above captioned project and on progress in complying with the conditions imposed. This submittal is pursuant to Condition No. 3 of the Decision and Order for Docket No. A84-574 dated Dec. 6, 1994.

2014 ANNUAL REPORT

1. BACKGROUND AND GENERAL PROGRESS OF THE PROJECT

The property that is the subject of Land Use Commission (LUC) Docket No. A84-574 consists of approximately 399 acres of land at Ouli 1, South Kohala, Hawai'i. The project is a portion of the former 539-acre South Kohala Resort, also formerly known as the Hapuna Beach Resort, and is being developed as a golf course/residential community. The Uplands at Mauna Kea is now part of the overall Mauna Kea Resort.

The property originally consisted of ten large development parcels, eight residential, one commercial, and one recreational (tennis). The ten parcels were subsequently consolidated and re-subdivided into eight parcels, see Figure 1, *Development Parcels A-G/H*, enclosed.

Parcel A has been retained by Mauna Kea for its residential services offices.

Parcel B is the site of a single-family residential project named Moani Heights at The Uplands. Development of this parcel has been completed and there were no resales in 2014.

Parcel C includes 'Apa'apa'a Heights at The Uplands, a single-family residential project; and The Kumulani at The Uplands, a condominium project. Both projects are sold out. There was one resale in The Kumulani and no resales in 'Apa'apa'a Heights in 2014.

Parcels A, D and E are currently being marketed.

Parcel F remains undeveloped and owed by MK Parcel F, LLC. The design of improvements for the parcel is on-going. The Site Development Preliminary Plan Review with Mauna Kea Resort Services LLC was completed in July 2014. The project's Planned Unit Development application received approval from the County of Hawai'i on November 26, 2014 (PUD-14-000027) and Tentative Approval of the subdivision (SUB-14-001397) was granted December 8, 2014.

Parcels G and H, Wai'ula'ula at Mauna Kea Resort, is comprised of single family, duplex, and multi-family units under a condominium property regime. There were six (6) resales within the project in 2014. Construction on the D R Horton – Schuler Homes home sites began in July 2014; there are currently 20 homes under construction.

2. PROGRESS IN COMPLYING WITH THE CONDITIONS IMPOSED

According to the Land Use Commission's Decision and Order dated Dec. 6, 1994 ("Decision and Order") and Order Granting Motion for Clarification of Land Use Commission's Findings of Fact, Conclusions of Law and Decision and Order and for Extension of Time, and Motion for Waiver of Hawaii Administrative Rule Section 15-15-92(2), dated February 13, 1995 ("Order Granting Motion"),¹ the Petitioner must comply with six (6) conditions. The annual report shall be submitted in a form prescribed by the Executive Officer of the Commission."

Status: A copy of this annual report is being submitted to the State Office of Planning and the County of Hawai'i Planning Department.

¹ The Order amended Condition No. 6 of the LUC's Decision and Order dated December 6, 1994. Order at page 3.

Condition No. 4:

- "4. The Commission may fully or partially release the conditions provided herein as to all or any portion of the Property upon timely motion and upon the provision of adequate assurance of satisfaction of these conditions by Petitioner."

Status: The Petitioner has not filed any motion to date under this condition.

Condition No. 5:

- "5. Within 7 days of the issuance of the Commission's Decision and Order for the subject reclassification, Petitioner shall (a) record with the Bureau of Conveyances a statement that the Property is subject to conditions imposed herein by the Land Use Commission in the reclassification of the Property, and (b) shall file a copy of such recorded statement with the Commission."

Status: The Commission's Decision and Order was issued on December 6, 1994. As stated in annual reports filed in previous years, the Petitioner complied with this condition by filing a copy of the Notice with the Commission on December 14, 1994.

Condition No. 6:

- "6. Petitioner shall record the conditions imposed herein by the Commission with the Bureau of Conveyances within sixty (60) days of the filing of this Decision and Order."
