**OFFICE OF PLANNING'S SUPPLEMENTAL RESPONSE TO MOVANT'S MOTION
 FOR A HEARING, ISSUANCE OF ORDER TO SHOW CAUSE, AND OTHER RELIEF**

On July 13, 2012, the Office of Planning (OP) filed its Response to Movant's Motion for a Hearing, Issuance of Order to Show Cause, and Other Relief ("OP's Response"). We would like to supplement OP's Response as follows.

On page 2 and 3 of OP's Response, we referenced OP Exhibit 2 for the proposition that the project proposal at the time of zoning application was for a 123-lot project, the same as in the Findings of Fact, Conclusions of Law, and Decision and Order adopted by the Land Use Commission on February 10, 1995. OP Exhibit 2, however, was the map attached to the subdivision application rather than the zoning application. For a more complete record, OP would also rely on the County of Maui's Exhibit E. Exhibit E was a letter dated September 20,

1998 from the Department of Planning to the County Council attaching the zoning application, and setting forth the Department of Planning's evaluation of the application. In the second paragraph, the letter described the project at the time of zoning as "a mixture of lots (approximately 123 lots) ranging in size from approximately 10,000 square feet to about 3.0 acres. Depending on market conditions, lot density within the subdivision may be adjusted to provide a broader mixture of lots." OP believes this is the most accurate description of the project at the time of zoning regarding the number of lots. OP's analysis remains that the current subdivision shows a narrower mixture of large lots, rather than a "broader mixture of lots."

On page 3, we discuss Condition 5 to Ordinance No. 3554, and cite to OP Exhibit 3. OP Exhibit 3 does show that Honuaula Partners, LLC, is one of the owners of the Petition Area, confirming the information in Condition 5 to Ordinance No. 3554 that Honuaula Partners, LLC was to build 250 workforce housing units in the Petition Area, the Kaonoulu Light Industrial Subdivision. For the record, we are including a copy of Ordinance No. 3554, which is attached to this Supplemental Response as OP Exhibit 4.
