William Brilhante, Esq., on behalf of the County of Hawai'i Planning Department.

At the hearing, the LUC heard public testimony from Clare Apana,² and OP.

Following the receipt of public testimony, the parties provided oral argument. Applicant's representative, Mr. Vitousek, represented that the Applicant was agreeable if the LUC decided to remand the permit application for clarification and further proceedings regarding matters raised in correspondence from Lt. Colonel Stubbart of the Hawai'i Army National Guard about historic site findings and property line discrepancies near the permit area. Mr. Brilhante, Hawaii County's representative, stated that he had been unaware of the letter

¹ On 8/1/14, the LUC received Hawai'i County Windward Planning Commission's Decision and Findings for the establishment of a quarry site described in the Special Permit application and on 11/14/14, the LUC received Petitioner's Memorandum in Support of Approval of Special Permit, Exhibits 1-4. On 11/18/14, the LUC received correspondence from Lt. Colonel Marjean R. Stubbart, Construction and Facilities Management Officer, Hawai'i Army National Guard regarding historic site findings and property line discrepancies near the permit area. On 11/19/14, the LUC requested copies of the Final Archaeological survey and monitoring plan for the Keaukaha Military Reservation and any boundary surveys be sent to the Applicant's representative, the State Office of Planning ("OP") and the LUC. On 12/5/14, the LUC received the Final Archaeological Inventory Survey and Monitoring Plan Phase I and boundary surveys from the Hawai'i Army National Guard.

² Ms. Apana shared her opinion that the LUC should hold meetings on the same island where the agenda item is located.

from Lt. Colonel Stubbart until Mr. Vitousek advised him of it on the morning of the LUC meeting, and had not had a chance to discuss it with the Hawaii County planner assigned to this application.

Following discussion, a motion was made and seconded to remand Special Permit No. SP14-404 to the Hawai'i County Windward Planning Commission with the expressed purpose of considering information received from the Hawai'i Army National Guard regarding new historic site findings and boundary discrepancies with the permit area and modifying the Decision and Findings as appropriate.
