Dear Ms. Babcock:

Thank you for your 2020 Annual Report received on December 23, 2020, documenting compliance with the conditions of approval for Special Use Permit (SUP) File No. 2014/SUP-3 and Docket No. SP15-405. The filing of an annual report satisfies Condition No. 6 of the Planning Commission's Findings of Fact, Conclusions of Law, and Decision and Order, dated June 29, 2015.

Below are the Department of Planning and Permitting's responses to the 2020 Annual Report. Please address the following comments in the submittal of the 2021 Annual Report:

- Condition No. 1, is ongoing throughout the life of the project. Therefore, the project should be noted as "In compliance with Condition No. 1," rather than satisfied.
- Condition No. 3, please include what financial institution the bond is posted under and the bond number.
- Condition No. 4, please include if there have been any reported deaths or injuries to Hawaiian hoary bats and endangered and threatened Hawaiian waterbird and shorebird species.
- Condition No. 12, was incorrectly labeled Condition No. 13 in the Annual Report.
