Interested participants assembled at the Beretania Street sidewalk fronting the State Capitol where a fifty (50)-passenger bus transported everyone to the new Central Oahu Regional Park to pick up other interested attendees.

Mr. Mark Hastert of Helber Hastert & Fee provided an orientation of the petition area using Petitioner's Exhibit 20, which was an aerial photo of the petition area. The bus traveled from the Central Oahu Regional Park to Ka Uka Boulevard. At the main gate of Koa Ridge Makai, the bus proceeded north along the main haul road through Koa Ridge Makai. The bus crossed the bridge over H-2 freeway and entered Koa Ridge Mauka. After viewing the Mauka area, the bus turned around and returned to the Ka Uka Boulevard gate and proceeded to Castle & Cooke's Waiawa property via Ka Uka Boulevard and Mililani Memorial Park access road. The bus then returned to Central Oahu Regional Park to drop off passengers who parked their cars there and then headed back to the State Capitol on Beretania Street.

The field trip adjourned at approximately 3:35 p.m.
