GENERAL EXCISE/USE TAX RETURNS GENERAL INSTRUCTIONS

(NOTE: ALL SECTION REFERENCES ARE TO THE HAWAII REVISED STATUTES (HRS) UNLESS OTHERWISE NOTED)

(NOTE: References to “married” and “spouse” are also references to “in a civil union” and “civil union partner,” respectively.)

Changes You Should Note

- **Effective immediately – Mail all general excise and use tax payments and returns to:**

Hawaii Department of Taxation
P.O. Box 1425
Honolulu, HI 96806-1425

- **Mandatory filing frequency to be changed in certain circumstances** – Taxpayers filing more frequently than is required are filing returns that cannot be properly tracked. To address this, the Department will change the required filing frequency of taxpayers who file more frequently than is required beginning August 2017. Quarterly filers will be changed to monthly if a return for the month ending July 31, 2017, or any month thereafter is filed. Similarly, semi-annual filers will be changed to monthly if a return for the month ending July 31, 2017, or any month thereafter is filed.

- **Schedule GE and Form G-75 required with Forms G-45 and G-49** – For periods beginning on or after July 1, 2017, the Department will enforce the requirement that a completed Schedule GE accompany any periodic and annual general excise tax (GET) return that is filed. If a taxpayer makes no claim for any GET exemptions, deductions, or other benefits reported on Schedule GE, then a completed Schedule GE is not required with the return. If a taxpayer fails to file a completed Schedule GE with the periodic or annual GET return, any exemptions, deductions, or other benefits claimed by the taxpayer will be denied by the Department. For periods beginning on or after July 1, 2017, the Department will also enforce the requirement that a completed Form G-75 accompany the GET return which reports income assigned to more than one district. When income is assigned to more than one district, the “MULTI” oval in Part V of Form G-45 or G-49 must be shaded. If a taxpayer does business in only one district in any period, and thus does not shade the “MULTI” oval, then a completed Form G-75 is not required to be filed with the return.

- **Schedule GE** – This form which is used to report exemptions has been revised. If you are claiming exemptions, please complete and attach Schedule GE (Form G-45/G-49) (Rev. 2017) to your Forms G-45 and G-49. Failing to use the most current form will result in the disallowance of your exemptions.

General Excise Tax

The GET is a privilege tax imposed on business activity in the State of Hawaii. The tax is imposed on the gross income received by the person engaging in the business activity. The GET applies to nearly every form of business activity. To determine whether the GET applies to a business activity, see the “General Excise/Use Tax Activity Classifications” in these instructions for a complete listing of activities to which the tax applies.

County Surcharge

Effective January 1, 2007, the general excise and use tax was amended to provide a 0.5% county surcharge on transactions attributable to the City and County of Honolulu and subject to the state general excise tax (GET) rate of 4% for a total rate of 4.5%. The county surcharge does not apply to activities taxed at the 0.5% rate (e.g., wholesaling) or the 0.15% rate for insurance commissions. If you do business on more than one island, you must complete Form G-75 and attach it to Forms G-45 and G-49. Form G-75 is used to report your taxable income for each type of business activity (e.g., wholesaling, retailing) in each taxation district (i.e., Oahu, Maui, Kauai, Hawaii) and to

help you complete Part IV (Oahu taxable income subject to the county surcharge) and Part V (assignment of taxes by district) on Forms G-45 and G-49. See pages 9-10 and 15-16 for more information on completing Parts IV and V of Forms G-45 and G-49.

For more information on the county surcharge, see Department of Taxation Announcement Nos. 2005-11, 2006-15, 2006-17 and Tax Information Release (TIR) No. 2007-01 or click on the link to the County Surcharge webpage from the Department of Taxation’s homepage at tax.hawaii.gov.

Who Must File

Every person engaging in business in Hawaii is required to have a GET license and file the appropriate tax returns. These requirements apply to individuals, partnerships, corporations, disregarded entities, and all other legal entities regardless of the business’ profits or losses. See the “General Excise/Use Tax Activity Classifications” in these instructions for a list of taxable activities.

Every person who uses in this State tangible personal property, services, or contracting which are imported into Hawaii, regardless if at the time of importation, the property, services, or contracting is owned by the importer, purchased from a seller that does not have a GET license, or however acquired, must file a return to report use tax. If GET is also owed, they may be reported on the same form.

Under the General Excise and Use Tax Laws, “person” means every separate legal entity, even though it might not pay net income tax or file a net income tax return. For example, although a partnership that is doing business does not pay net income tax on the income it earns, the partnership (rather than its partners) is required to pay general excise and use tax. However, if the grantor of a revocable living trust reports all items of the trust’s income on the grantor’s individual net income tax return, the grantor rather than the trust will report and pay GET on the trust’s income. See TIR No. 94-5 for more information. Furthermore, a taxpayer and spouse or partners in a civil union may file joint general excise and use tax returns.

Taxpayers registered for seller’s collection of use tax must file Form G-45 for each month in which use tax is collected from their Hawaii customers; quarterly and semiannual filings are not permitted. A return does not need to be filed for those months in which no use tax is collected.

If you are required to have a GET license but fail to obtain one or you fail to file Form G-49 within 12 months of the prescribed due date, you may be denied GET benefits such as exemptions, deductions, or lower tax rates (section 237-9.3).

In most circumstances, GET returns do not have to be filed by:

- Individuals not engaged in business. If an individual’s only business is performing personal services as an employee under the direction and control of an employer, returns are not required, but an individual who rents out real property or performs services as an independent contractor, even as a side business, must report and pay tax on that income.
- Financial institutions. A financial institution that is subject to the Franchise Tax Law (Chapter 241, HRS), and that earns only income that is taxable under that law, only needs to file a franchise tax return. See section 237-24.8 for more information.
- Public utilities owned and operated by the State or a political subdivision of it, or public service companies subject to the Public Ser-

vice Company Tax Law (Chapter 239, HRS). If, however, a public service company receives income from directory advertising, interest income, or income not included in the measure of the tax imposed by Chapter 239, HRS, GET returns must be filed to report and pay tax on those amounts.

- Insurance companies subject to the insurance premiums tax (sections 431:7-201 to 431:7-205). If, however, an insurance company receives rents from investments in Hawaii real property, GET returns must be filed to report and pay tax on that income. See section 237-29.7 for more information.
- Certain nonprofit organizations. If you are a nonprofit organization and meet the requirements listed below, then you do not need to file GET returns to report your income:
 - (1) You file federal Form 990-N and your only sources of income are contributions, donations, gifts, bequests, and membership dues; or
 - (2) You file federal Form 990-N, you have been granted a GET exemption by the Department of Taxation, and your only sources of income are those listed in (1) and exempt function income.

All other nonprofit organizations, such as those that file federal Form 990 or 990-EZ, are generally required to have a GET license and file GET returns. If you are required to have a GET license but fail to obtain one or you fail to file Form G-49 within 12 months of the prescribed due date, you may be denied GET benefits such as exemptions, deductions, or lower tax rates (section 237-9.3). For more information on the GET licensing and reporting requirements for nonprofits, see TIR Nos. 2010-05 and 2011-04. For more information on the GET exemptions for nonprofits, see Form G-6A. Fundraising activities (e.g., selling barbecued chicken, silent auctions) and activities unrelated to the organization’s exempt purpose are taxable activities. See Tax Facts Nos. 98-3 and 99-4 for more information.

Resident or Nonresident?

Under the General Excise and Use Tax Laws, it does not matter if you are a resident, nonresident, or part-year resident.

Filing Frequency

The periodic returns (Form G-45) are used to report gross income, exemptions, and taxes due on business activities periodically. They must be filed throughout the year at specified intervals. The frequency you file depends on the amount of GET your business has to pay during the year.

- You must file monthly if you will pay more than \$4,000 in GET per year.
- You may file quarterly if you will pay \$4,000 or less in GET per year.
- You may file semiannually if you will pay \$2,000 or less in GET per year.

If you are filing quarterly or semiannually and your tax liability is more than the amounts listed above, you must change your filing period.

To change your filing period, notify the Department of Taxation (Department) by filing **Form BB-1**, Basic Business Application.

What Forms to File

Registration & Licensing

Form BB-1 - Use this form to register for a GET license and any other state taxes that you may be

subject to. When you register for GET, you will automatically be registered for use tax. The registration fee for a GET license is \$20. You may also apply online through the Hawaii Business Express website at hbe.hawaii.gov or tax.hawaii.gov/eservices/. You can also use this form to make changes to your license application (e.g. change your name, add/delete partners or corporate officers, or filing frequency).

Tax Return Forms

All filers must file periodic returns (Form G-45) throughout the year, and an annual return and reconciliation (Form G-49). You must also file Schedule GE (Form G-45/G-49) if you are claiming exemptions, and Form G-75 if you conducted business in more than one tax district. Please see the applicable sections below for more information.

Note: We recommend that you print a new form from our website (tax.hawaii.gov) each time you need it. The form's QR code is necessary to process the return. Excessive photocopying of a photocopy will degrade the QR code, and the QR code will become unreadable.

Form G-45 - All filers must file periodic returns based on their filing frequency. A monthly filer must file a Form G-45 every month, a quarterly filer must file a return for each quarter, and a semiannual filer must file a return for each semi-annual period.

You must file a Form G-45 even if you do not have any gross income to report for the period. Just write a zero (0) in each column of your main business activity and also on the "Total Taxes Due" line. If your business activity has temporarily stopped, you may submit a written request to the Department to temporarily change the status of your license to inactive for up to 2 years. You must continue to file Form G-49 for each taxable year; however, it is not necessary to file Form G-45 while your license is inactive.

Form G-49 - All filers must file an annual return and reconciliation (Form G-49) after the close of the taxable year. Form G-49 is a summary of your activity for the entire year. This return must be filed in addition to Form G-45.

Schedule GE (Form G-45/G-49) - If you are claiming exemptions on Forms G-45 and G-49, you must complete and attach Schedule GE (Form G-45/G-49) to Forms G-45 and G-49. If you do not attach this form to your Forms G-45 and G-49, your exemptions will be disallowed. Schedule GE (Form G-45/G-49) has been revised. Please use the current revision of Schedule GE (Form G-45/G-49) (Rev. 2017).

The schedules of exemptions and deductions may be found at the end of these instructions.

Form G-75 - If you did business in MORE THAN one District (the MULTI indicator should be darkened in Part V - Schedule of Assignment of Taxes By District on Forms G-45 and G-49), you will need to complete Form G-75, Schedule of Assignment of General Excise/Use Taxes By Districts. Form G-75 must be attached to Forms G-45 and G-49. If you do not attach this form to your Forms G-45 and G-49 you will be assessed the penalty for failure to file a return and a penalty of ten percent on the tax and surcharge due. Please use the current revision of Form G-75 (Rev. 2016).

Amended Returns - If you filed your General Excise/Use Tax Return and later become aware of any changes to the reported income or exemptions, file the following forms, as applicable, to correct the return.

- File an amended return on **Form G-45** to change the Form G-45 you already filed. To designate that the form is an amended return, darken the oval at the top of page 1 of the Form G-45. Fill in the return with all of the correct information. Do **NOT** use this form if the General Excise/Use Tax Annual Return and Reconciliation, Form G-49, has already been filed for the tax year.
- File an amended return on **Form G-49**, to change the Form G-49 you already filed. To designate that the form is an amended return, darken the oval at the top of page 1 of the Form G-49. Fill in the return with all the correct information. If you are amending Form G-49, it is *not* necessary to also amend the associated Form G-45s.

Miscellaneous Forms

Form GEW-TA-RV-1 - If your business activity has stopped and you do not need your license again (e.g., you incorporated a sole proprietorship or you sold your business), you must cancel your GET license. Complete Form GEW-TA-RV-1, Notification of Cancellation, and send it with your license to the Department. You must file all returns up to the date of cancellation, including the annual return.

Form ITPS-COA - If you need to change your address, complete and submit Form ITPS-COA to the Department.

Form G-50 - Your GET license must be displayed at your place of business. If you have more than one business location or multiple business names (such as trade names or doing business as (DBA)), use this form to apply for a branch license. There is no charge for a branch license.

Electronic Funds Transfer (EFT)

Section 231-9.9 authorizes the Department to require those taxpayers whose tax liability for a particular tax exceeded \$100,000 during the past year to pay that tax by EFT instead of by check. The Department reviews the filing records of taxpayers and will mail notices to taxpayers who meet this criterion. Any taxpayer who does not meet the criterion may still voluntarily pay by EFT. Use **Form EFT-1** to set up payment by EFT. For more information on paying taxes by EFT, please see TIR Nos. 95-6 and 99-1.

IMPORTANT: A penalty of 2% of the tax due will be assessed if a taxpayer who is required to make payments by EFT does not do so without reasonable cause. If an EFT payment is dishonored, a \$25 service fee will be assessed.

Due Dates

- Form G-45 is due on or before the 20th day of the calendar month following the end of the filing period. For example, if your filing period ends on January 31st, then your return will be due on February 20th.
- Form G-49 is due on or before the 20th day of the 4th month following the close of the tax year. For taxpayers on a calendar year, this return will be due on April 20th.

NOTE: If the prescribed due date falls on a Saturday, Sunday, or legal holiday, file by the next regular work day.

If you file and/or pay late, you may have to pay penalties and interest. For more information, see **Penalties and Interest** below.

No extensions for filing the periodic Forms G-45 are allowed. If you are not able to determine the exact amount of your gross income for the period,

estimate it as accurately as you can and file on that basis.

If you are unable to meet the deadline for filing the annual return and reconciliation (Form G-49), you may submit a request for an extension to file on **Form GEW-TA-RV-6**. **Approval of an extension request is not automatic.** The extension of time to file is not an extension of time for payment. Your payment for any additional tax you estimate must be sent in with your extension request.

Penalties and Interest

Late Filing of Return — The penalty for failure to file a return on time is assessed on the tax due at a rate of 5% per month, or part of a month, up to a maximum of 25%.

Failure to Pay Tax After Filing Timely Return — The penalty for failure to pay the tax after filing a timely return is 20% of the tax unpaid within 60 days of the prescribed due date.

Failure to Pay by EFT — The penalty for failure to pay by EFT for taxpayers who are required to pay by EFT is 2% of the tax due.

Failure to Complete Part V - Schedule of Assignment of Taxes By District on Forms G-45 and G-49 — The penalty for failure to complete Part V - Schedule of Assignment of Taxes By District on Forms G-45 and G-49 is 10% of the combined State and county surcharge taxes due on the return being filed.

Interest — Interest at the rate of 2/3 of 1% per month, or part of a month, shall be assessed on unpaid taxes and penalties beginning with the first calendar day after the date prescribed for payment, whether or not that first calendar day falls on Saturday, Sunday, or legal holiday.

Please check your return carefully. Additional penalties may be assessed if you make an underpayment of tax due to negligence, intentional disregard of the Department's rules, or fraud.

GENERAL INFORMATION ON THE GENERAL EXCISE TAX LAW

The GET is a tax imposed on the gross income you receive from any business activity you have in Hawaii. Gross income includes any cost passed on to the customer and represented to be the GET.

For example:

Retail sale price	\$ 100.00
+ 4% tax (passed on)	+ 4.00
Charged to customer	<u>\$ 104.00</u>

In this example, if there are no exemptions, the GET due on the gross income is \$4.16, calculated as follows:

Gross income	\$ 104.00
x Tax rate	x .04
General excise tax	<u>\$ 4.16</u>

NOTE: Income earned from business conducted on Oahu and subject to the 4% GET rate is also subject to the 0.5% City and County of Honolulu Surcharge.

Examples of Income You Must Report

- The gross amount of income you receive from the sale of goods or services. This includes

the amount you receive for the sale of inventory property, even if you receive it because you sold your entire business.

- Bartering income, which is the fair market value of goods or services you received in return for your goods or services.
- Income that you received as a reimbursement for any costs spent on behalf of any customer or client, if you marked up the costs by any amount or if the costs were actually spent on your own business.

Other specific examples are found in each of the classifications below.

GENERAL INFORMATION ON THE USE TAX LAW

The use tax is an excise tax imposed on the landed value of tangible personal property, services, or contracting imported into the State from an unlicensed out-of-state seller for use in the State, however the property is acquired. It does not matter if, at the time of importation, the property, services, or contracting is owned by the importer, or if the property is purchased from a seller that does not have a GET license. The landed value is the value an item has at the time it arrives in Hawaii. It includes the invoice price plus shipping, insurance, handling, licenses, customs duty, and other related costs. An offset of the use tax may be claimed for sales taxes paid to another state. See instructions for Use Tax and General Excise Tax Offset on page 6.

Property, services or contracting are not subject to use tax if either the GET or use tax has been previously paid on the property, services or contracting.

Examples of Property, Services, or Contracting You Must Report

- Cars, trucks, boats, or office machines that are imported for business or personal use, for retail sale, or for leasing.
- Articles such as clothing, electronics, or cameras that are imported from another state or a foreign country by a retailer for resale here.
- Heavy equipment, such as cranes, tractors, and earth movers that will be kept in the State for more than 365 days.
- Lumber imported by a contractor for use in a construction project.

- All services performed outside this State where the customer in this State uses, consumes or resells the service in this State.
- Contracting performed outside the State imported by a person who uses or consumes the value of the contracting in this State.
- Goods or services purchased from an out-of-state seller via the Internet where the customer in this State uses, consumes, or resells the goods or services in this State.

Examples of Property, Services, or Contracting That You Do Not Report

- Temporary use property that will be kept in the State for less than a year, such as construction equipment that will be removed upon completion of a construction contract. If any property is in Hawaii for a year or less, then it is considered temporarily in Hawaii. Perishable property, or quickly consumable property, does not qualify as temporary use property even if it is not consumed within the State before it spoils.
- Property received solely as a gift. Property purchased at a bargain, even from a friend or relative, does not qualify for this exclusion.
- Articles that are examined and then returned, such as goods that are returned after a trial period.
- Goods that are imported by the owner of vessels engaged in interstate commerce and that are used as ship stores for the vessels.
- Household goods, personal effects, and private automobiles if the person importing them into the State (A) acquired them outside Hawaii, (B) acquired them while the person was

not a Hawaii resident, (C) acquired them for use outside Hawaii, and (D) made actual and substantial use of them outside Hawaii. An article that was acquired less than three months before importation to Hawaii is presumed to have been purchased for use within Hawaii, and, therefore, is presumed not to qualify for this exclusion.

- Newspapers, magazines, and other periodical publications purchased on a subscription plan that qualify for the second class mail rate.
- Property other than tangible personal property. This includes currency, stocks, bonds, patents, licenses, and other intangible property.
- Property, services, or contracting that have been previously subject to the Hawaii use tax.
- Property, services, or contracting purchased from a seller who was subject to the GET upon a sale or transfer of the property, services or contracting to the user.
- Services imported for resale to a foreign customer located outside the State, where the customer will use, consume, or resale the service outside the State.
- Aircraft that is kept solely for renting to lessees using the aircraft for commercial transportation of passengers or goods.
- Oceangoing vessels that are used by a public service company to provide transportation from one point in the State to another.
- The acquisition or importation of aircraft or aircraft engines by a lessee or renter engaged in interstate air transportation.

- (1) Either:
- In the context of a service-to-service transaction, a service is rendered upon the order or request of a licensed seller for the purpose of rendering another service in the course of the seller's service business or calling; including a dealer's furnishing of goods or services to the purchaser of tangible personal property to fulfill a warranty obligation of the manufacturer of the property;
 - In the context of a service-to-tangible personal property transaction, a service is rendered upon the order or request of a licensed seller for the purpose of manufacturing, producing, or preparing tangible personal property to be sold;
 - In the context of a service-to-contracting transaction, a service is rendered upon the order or request of a licensed contractor as defined in section 237-6, for the purpose of assisting that licensed contractor; or
 - In the context of a service-to-transient accommodations rental transaction, a service is rendered upon the order or request of a person subject to tax under section 237D-2, for the purpose of furnishing transient accommodations;
- (2) The benefit of the service passes to the customer of the licensed seller, licensed contractor, or person furnishing transient accommodations;
- (3) The cost of the service does not constitute overhead to the licensed seller, licensed contractor, or person furnishing transient accommodations;
- (4) The gross income of the licensed seller is not divided between the licensed seller and another licensed seller, contractor, or person furnishing transient accommodations for imposition of the general excise tax;
- (5) The gross income of the licensed seller is not subject to a deduction under the General Excise Tax Law or the Transient Accommodations Tax Law; and
- (6) The resale of the service, tangible personal property, contracting, or transient accommodations is subject to the general excise tax at the highest tax rate.

If you are a service provider that mills or produces products under a contract with a manufacturer, you also should report your gross income from that activity on this line. For more information, see section 237-18(c).

Use Tax on Imports for Resale

Report in Column a the landed value of all tangible personal property or services imported for

resale or for lease or rent, and deduct in Column b the value of the tangible personal property or services imported for resale at wholesale. If you import tangible personal property for resale at wholesale only, this line need not be completed.

A licensed manufacturer (see the instructions for Manufacturing), will report in Column a the landed value of all materials, services and commodities which are imported and incorporated into a manufactured product such that they remain perceptible to the senses in the finished or saleable product, and deduct in Column b the value of the materials, services and commodities imported and incorporated into a manufactured product which are subsequently sold at wholesale. If all materials, services and commodities are imported and incorporated into a manufactured product which is subsequently sold at wholesale, this line need not be completed.

If the imported materials, services and commodities do not remain perceptible to the senses in the finished product, their value must be reported on Use Tax on Imports For Consumption rather than on this line.

A licensed contractor (see the instructions for Contracting), will report in Column a the landed value of all materials or services which are imported and incorporated into a finished work or project required by the contract such that they remain perceptible to the senses in the finished work or project. If the imported materials or services do not remain perceptible to the senses in the finished work or project, their value must be reported on Use Tax on Imports For Consumption rather than on this line.

Because you may not know whether the property or services imported will be sold at wholesale or retail at the time it is imported, you can do one of two things. First, you may report the value of all imports and pay use tax at 0.5%, and when you later know how much is sold at wholesale you may file an amended return and claim a refund of the appropriate amount of use tax you paid.

Second, you may choose one of four methods to compute the landed value of property imported for sale at wholesale. These methods are the direct cost method, the percentage of wholesale sales to total sales method, the gross profit percentage method, and any other method that correctly reflects your tax liability if it is first approved by the Department. See section 18-238-2, HAR, for more information and examples of these methods. One method must be used consistently between accounting periods unless the Department permits a change of method.

Use Tax Offset

A use tax offset may be claimed for taxes paid to another state on property, services or contracting imported into the State for resale. See the instructions under the *Use Tax and General Excise Tax Offset* section on page 6 for more information.

Business Activities of Disabled Persons

Report in Column a the gross income earned by the disabled person. As an exemption, report in Column b the first \$2,000 of gross income earned by the disabled person from all activities combined. The net amount in Column c (Column a minus Column b) is subject to the GET at 0.5%.

PART II — GENERAL EXCISE and USE TAXES @ 4% (.04)

Retailing

Persons who sell tangible personal property and who do not qualify for wholesale treatment report their gross sales here. Examples include sales to a retailer who uses rather than resells the goods sold, sales to an unlicensed seller, and sales to consumers.

Services Including Professional

Service providers, including those providing professional and transportation services, report their gross income on this line. A director, executor, trustee, or fiduciary is considered to be engaging in a profession if the person serves in four or more such capacities, or receives more than \$1,200, in a taxable year.

The sale of services to the federal government by a service provider, including any tangible personal property furnished with the services rendered, is taxable. The tangible personal property furnished in the performance of services is subject to the tax even if the tangible personal property is separately stated or billed.

Technicians who supply dentists or physicians with dentures, orthodontic devices, braces, and similar items for the dentists' or physicians' patients report their gross sales from this activity on Wholesaling rather than on this line. (Section 237-15.)

Businesses that generate electric power and sell it to a public utility report their gross sales from this activity on Producing rather than on this line.

Contracting

Contractors report on this line. A contractor means:

- (1) A person engaging in the business of contracting to erect, construct, repair, or improve buildings or structures, of any kind or description, or to make, construct, repair, or improve any highway, road, street, sidewalk, ditch, excavation, fill, bridge, shaft, well, culvert, sewer, water system, drainage system, dredging or harbor improvement project, electric or steam rail, lighting or power system, transmission line, tower, dock, wharf, or other improvements;
- (2) An architect, professional engineer, land surveyor, or landscape architect; or
- (3) A pest control operator or fumigator.

Theater Amusement and Broadcasting

Income from operating a theater, opera house, vaudeville, amusement park, dance hall, skating rink, broadcasting station, or any other place where amusements are offered to the public, is reported on this line.

Commissions

A commission is the compensation of an agent, factor, broker, or bailee, usually calculated as a percentage on the amount of the transactions or on the profit to the principal. Note that if an agent receives commissions and then shares it with subagents, the amounts paid to the subagents generally are NOT deductible by the agent.

Transient Accommodations Rentals

This line is used to report gross rentals that are also taxed under the Transient Accommodations Tax Law, Chapter 237D, HRS. Charges to transients that are not rentals, such as cancellation fees, charges for food and beverage, and service charges should be reported on other lines.

Travel Agent/Tour Packager

Effective for all periods ending March 31, 2016 and thereafter, if a travel agent or tour packager divides income with an operator of transient accommodations pursuant to section 237-18(g), the travel agent or tour packager shall report its share of the gross income on Line 13, Transient Accom-

modations Rentals. The operator of transient accommodations shall continue to report its share of the gross income on Line 13, Transient Accommodations Rentals.

Other Rentals

This line is used to report gross rentals that are not also taxed under the Transient Accommodations Tax Law, Chapter 237D, HRS, such as long-term rentals, equipment rentals, and all other types of lease or rental agreements.

Interest and All Others

Interest and gross income from business activities not mentioned in the list above, excluding insurance commissions, are reported here.

Interest is reported on this line if it is earned by a person engaged in the business of lending money, such as a department store that charges interest on revolving charge accounts, or if the interest is earned from the investment of business capital. Unless the recipient can clearly show otherwise, all interest that is earned by for-profit corporations or partnerships (including unincorporated business associations such as a hui), and all interest that is earned in a business account of a sole proprietorship, estate, or trust, must be reported on this line. For more information, see TIR Nos. 42-74 and 94-1.

Examples of gross income from business activities not mentioned in the list above are: sales of advertising space in a publication, royalties, payments received in exchange for a covenant not to compete, or insurance proceeds to replace gross income that would have been subject to the tax if earned.

General Excise Tax Offset

A GET offset may be claimed for taxes paid to another state on property, services or contracting imported into the State for resale. See the instructions under the *Use Tax and General Excise Tax Offset* section on this page for more information.

Use Tax on Imports For Consumption

All property, services, or contracting that are imported by any person without a GET license is reported here, unless an exemption applies. A use tax offset may be claimed for taxes paid to another state on property, services or contracting imported into the State for resale. See the instructions under the *Use Tax and General Excise Tax Offset* section on this page for more information.

All other property, services, or contracting that do not qualify for exemption or reporting on the line for Use Tax on Imports For Resale is reported here. For example, the landed value of polishing compounds which a manufacturer imports and consumes in the manufacturing process is reported on this line since the polishing compounds do not remain perceptible to the senses in the finished product.

PART III — Insurance Commissions @ 0.15%

Persons licensed under Chapter 431, HRS, as an insurance producer report their insurance commissions in this Part.

PART IV — City & County of Honolulu Surcharge @ 0.5%

Use this Part to report Oahu **taxable** income that is subject to the 0.5% City & County of Honolulu surcharge.

USE TAX AND GENERAL EXCISE TAX OFFSET

Use Tax on Imports For Resale and Use Tax on Imports For Consumption

Column b

A use tax and GET offset may be claimed for taxes paid to another state on property, services or contracting imported into the State for resale.

CAUTION: *Taxes paid for manufacturing, extraction, and the like, as well as license fees or transfer taxes, MAY NOT be taken as a credit against Hawaii use taxes due.*

The following steps should be taken to claim the offset when reporting the use tax on the Forms G-45 and G-49.

Offset the use tax:

- Step 1— Enter the value of the imported property in Column a of Use Tax on Imports For Resale or Use Tax on Imports for Consumption, as applicable, and determine the exact amount of use tax due on that property.
- Step 2— Compare the use tax due (Step 1) with the sales or use tax paid to another state on that property. Divide the LESSER of the two amounts by the applicable tax rate, and enter the result in Column b.
- Step 3— Subtract Column b from Column a, and enter the result in Column c.

Offset the general excise tax:

- Step 4— Enter the gross income from the sale of the imported property in Column a of the applicable line, and determine the exact amount of GET due on that property.
- Step 5— Subtract the use tax due on that property (Step 1) from the sales or use tax paid to another state on that item.
- Step 6— Compare the GET due (Step 4) with the remaining sales or use tax paid (Step 5). Divide the LESSER of the two amounts by 0.005 or 0.04, as applicable, and enter the result in Column b.
- Step 7— Subtract Column b from Column a, and enter the result in Column c.

EXAMPLE

Taxpayer A purchases widgets in State X on which \$125 of sales tax is paid, and imports the widgets into Hawaii for resale at retail. The landed value of the widgets is \$1,500, and they are sold at retail for \$2,700.

- Step 1— $\$1,500 \times 0.005 = \7.50
- Step 2— $\$7.50 \div 0.005 = \$1,500$
- Step 3— $\$1,500 - \$1,500 = \$0$
- Step 4— $\$2,700 \times 0.04 = \108
- Step 5— $\$125 - \$7.50 = \$117.50$
- Step 6— $\$108 \div 0.04 = \$2,700$
- Step 7— $\$2,700 - \$2,700 = \$0.00$

STEP-BY-STEP INSTRUCTIONS FOR FILLING IN YOUR FORM G-45 (PERIODIC RETURN)

(The circled numbers in the figures correspond to the steps in the instructions.)

A periodic general excise/use tax return (Form G-45), including an amended return, can be filed and payment made electronically through the State's Internet portal. For more information, go to tax.hawaii.gov/eservices/.

About this Form

Form G-45 is designed for electronic scanning that permits faster processing with fewer errors. To avoid delays:

1. Print amounts only on those lines that are applicable.
2. Use only a black or dark blue ink pen. Do not use red ink, pencils, felt tip pens, or erasable pens.
3. Because this form is read by a machine, please print your numbers inside the boxes like this:

4. Do NOT print outside the boxes.
5. Fill in ovals completely. Do not ✓ or ✗ the ovals.
6. Do NOT enter cents. All numbers that are required to be rounded to the nearest dollar should NOT be printed over the zeros used to designate cents.
7. Do NOT use dollar signs, slashes, dashes or parentheses in the boxes.
8. We recommend that you print a new form from our website (tax.hawaii.gov) each time you need it. The form's QR code

is necessary to process the return. Excessive photocopying of a photocopy will degrade the QR code, and the QR code will become unreadable.

9. Please use a color printer and print in color.

Rounding to Whole Dollars in Columns a, b, and c

The Department is requiring taxpayers to round off cents to the nearest whole dollar for all dollar entries in Columns a, b, and c. To do so, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar. For example: \$1.49 becomes \$1 and \$2.50 becomes \$3. If you have to add two or more amounts to figure the amount to enter in the column, include the cents when adding and round off only the total.

CAUTION: DO NOT enter the cents in Columns a, b, and c. The system will read all numbers entered as whole dollar amounts.

When Form G-45, Column b is Greater Than Column a

In the event that your exemptions (Column b) for the period exceeds your gross income (Column a), enter an amount in Column b that is equal to but not more than Column a. The remainder of the available exemption would then be reported on the subsequent period's Form G-45. You are unable to claim a refund for the amount that results in a negative tax consequence on the periodic return.

Step 8 — Enter the landed value of tangible personal property, services, or contracting imported into Hawaii in Column a.

Step 9 — If you have allowable exemptions, enter the total in Column b. If you do not have any exemptions, enter zero (0). IF Column b is more than Column a, see “When Form G-45, Column b is Greater Than Column a” on page 7.

A use tax and GET offset may be claimed for taxes paid to another state on property, services, or contracting imported into the State for resale.

CAUTION: Taxes paid for manufacturing, extraction, and the like, as well as license fees or transfer taxes, MAY NOT be taken as a credit against Hawaii use taxes due.

The following steps should be taken to claim the offset when reporting the use tax on Forms G-45 and G-49.

Offset the use tax:

Step A— Enter the value of the imported property in Column a of Use Tax on Imports For Resale or Use Tax on Imports for Consumption, as applicable, and determine the exact amount of use tax due on that property.

Step B— Compare the use tax due (Step A) with the sales or use tax paid to another state on that property. Divide the LESSER of the two amounts by the applicable tax rate, and enter the result in Column b.

Step C— Subtract Column b from Column a, and enter the result in Column c.

Offset the general excise tax:

Step D— Enter the gross income from the sale of the imported property in Column a of the applicable line, and determine the exact amount of the GET due on that property.

Step E— Subtract the use tax due on that property (Step A) from the sales or use tax paid to another state on that item.

Step F— Compare the GET due (Step D) with the remaining sales or use tax paid (Step E). Divide the LESSER of the two amounts by 0.005 or 0.04, as applicable, and enter the result in Column b.

Step G— Subtract Column b from Column a, and enter the result in Column c.

EXAMPLE

Taxpayer A purchases widgets in State X on which \$125 of sales tax is paid, and imports the widgets into Hawaii for resale at retail. The landed value of the widgets is \$1,500, and they are sold at retail for \$2,700.

Step A— $\$1,500 \times 0.005 = \7.50

Step B— $\$7.50 \div 0.005 = \$1,500$

Step C— $\$1,500 - \$1,500 = \$0$

Step D— $\$2,700 \times 0.04 = \108

Step E— $\$125 - 7.50 = \117.50

Step F— $\$108 \div 0.04 = \$2,700$

Step G— $\$2,700 - \$2,700 = \$0.00$

Step 10 — Subtract Column b from Column a, and enter the result in Column c. This is the taxable value.

Mary must complete line 19 since she conducted business in the Oahu District. On line 19, Column a, Mary enters \$15,450, the amount from line 17, Column c, since she did business in the Oahu District only. Mary enters zero in Column b since she is not claiming any County Surcharge exemptions/deductions and enters \$15,450 in Column c.

On line 24, Column a, Mary enters \$15,450, which is the amount from Part IV, line 19, Column c. In Column c, Mary multiplies \$15,450 by the tax rate of .005 and enters \$77.25 in Column c.

Mary adds lines 22 and 24 and enters the result, \$695.25, on line 25.

Step 36 — **NOTE:** If you are NOT submitting a check with your return, enter "0.00" on line 33.

No., and your daytime phone number on your check or money order.

Hawaii Department of Taxation
P.O. Box 1425
Honolulu, HI 96806-1425

DO NOT SEND CASH. Form G-45, including an amended return, can also be filed and payment made electronically at tax.hawaii.gov/eservices/.

Step 37 — If you are claiming any exemptions for the period, complete Schedule GE (Form G-45/G-49), General Excise/Use Tax Schedule of Exemptions and Deductions, enter the "GRAND TOTAL OF EXEMPTIONS/DEDUCTIONS CLAIMED" from

Schedule GE (Form G-45/G-49) on line 34, and attach Schedule GE (Form G-45/G-49) to Form G-45.

Step 38 — Sign your name and write your title, date and daytime phone number in the spaces provided on page 1 of the Form G-45 (see Figure 6).

INSTRUCTIONS FOR FILING AN AMENDED FORM G-45

If you file your Form G-45 and later become aware of any changes you must make to reported income and/or exemptions, you may file an amended return on Form G-45 to change the Form G-45 you already filed.

Do **NOT** file an amended Form G-45 if the General Excise/Use Tax Annual Return & Reconciliation, Form G-49, has already been filed for the tax year.

Complete your amended Form G-45 as follows:

1. Darken the oval at the top of page 1 of Form G-45 to designate that this is an amended return (see Figure 1).
2. Enter the correct amounts of values, gross proceeds or gross income, exemptions, taxable income, and taxes due which should have been reported on the original Form G-45. Follow Steps 1 through 28 to complete your amended Form G-45. (**Note:** Entries which were correctly reported on the original Form G-45 also must be entered on the appropriate line(s). **Failure to do so will result in a change from the correct amount to -0-.**)
3. As of the date the amended Form G-45 is filed, enter on line 26 the amounts of any penalty and/or interest assessed for the period. Penalty and interest are generally assessed because the original return was filed after the filing deadline or because the taxes due were not paid in full by the filing deadline.
4. Enter on line 28 the total amount of taxes, additional assessments, and penalty and/or interest paid less any refunds received for the period. Include payments made with the original Form G-45 as well as any supplemental payments made after the original Form G-45 was filed. **REMINDER:** Payments are applied first to recover costs incurred by the Department, then to any interest due, then to penalties, and finally, to taxes.
5. If line 27 is LESS THAN line 28, subtract line 27 from line 28 and enter the result on line 29, "CREDIT TO BE REFUNDED."
6. If line 27 is MORE THAN line 28, subtract line 28 from line 27 and enter the result on line 30, "ADDITIONAL TAXES DUE."
7. If the amended Form G-45 is being filed after the due date of the original Form G-45, and if there is an amount entered on line 30, enter on line 31 the amount of any penalty and/or interest now due. On a timely filed original Form G-45, a penalty of 20% of the tax due will be assessed if any tax remains unpaid after 60 days from the prescribed due date of the original Form

IMPORTANT: Please fill in each column of your business activity(ies) with a dollar amount or zero (0) or processing errors will result. Also, write the filing period (e.g., January 2018; January - March 2018; January - June 2018), your Hawaii Tax I.D. No., and your daytime phone number on your check or money order so it will be properly credited if it is accidentally separated from your tax return.

G-45. This penalty is applicable to amended Form G-45s for timely filed original Form G-45s. Interest at the rate of 2/3 of 1% per month or part of a month shall be assessed on unpaid taxes and penalties assessed beginning with the first calendar day after the date prescribed for payment, whether or not that first calendar day falls on Saturday, Sunday, or legal holiday.

8. Add lines 30 and 31 and enter the total on line 32, "TOTAL AMOUNT DUE AND PAYABLE."
9. Enter on line 33 the amount of any payment made with the amended Form G-45. If the amended Form G-45 is filed after the due date of the original Form G-45, include any additional penalty and interest in your payment. Mail your check or money order for this amount payable to "Hawaii State Tax Collector" in U.S. dollars drawn on any U.S. bank to the P.O. Box below. Write the filing period, your Hawaii Tax I.D. No., and your daytime phone number on your check or money order.

Send your check or money order and your amended Form G-45 with the required forms and attachments (Schedule GE and Form G-75 if applicable) to:

Hawaii Department of Taxation
P.O. Box 1425
Honolulu, HI 96806-1425

DO NOT SEND CASH. An amended Form G-45 can also be filed and payment made electronically at tax.hawaii.gov/eservices/.

10. If any exemptions are claimed, complete and attach Schedule GE to the amended Form G-45. The amount and type of exemptions claimed must be completed even if reported correctly on the original Form G-45 filed.
11. Enter the total of all exemptions reported on Schedule GE on line 34.
12. Sign your name and write your title, date and daytime phone number in the spaces provided on page 1 of the amended Form G-45 (see Figure 5).

IMPORTANT: Please fill in each column of your business activity(ies) with a dollar amount or zero (0) or processing errors will result. Also, write the filing period (e.g., January 2018; January - March 2018; January - June 2018), your Hawaii Tax I.D. No., and your daytime phone number on your check or money order, if applicable, so that it may be properly credited if it is accidentally separated from the tax return.

REMINDER!!!

GENERAL EXCISE/USE TAX ANNUAL RETURN AND RECONCILIATION MUST BE FILED.

Section 237-33, HRS, requires every taxpayer to file a General Excise/Use Annual Return and Reconciliation. This return is used by the taxpayer to reconcile their account for the entire year. It is, for the most part, a simple summary of business conducted in the past calendar or fiscal year, whichever is applicable. If the periodic returns were completed correctly and the taxes due paid in full, the total taxes due (line 25) will, in many cases, be the same as the total payments made less any refunds received for the tax year (line 28) and no additional tax will be due. DO NOT confuse this Annual Return and Reconciliation with the Net Income Tax Return.

STEP-BY-STEP INSTRUCTIONS FOR FILLING IN YOUR FORM G-49 (ANNUAL RETURN AND RECONCILIATION)

(The circled numbers in the sample below correspond to the steps in the instructions on the following pages.)

The annual general excise/use tax return (Form G-49), including an amended return, can be filed and payment made electronically through the State's Internet portal. For more information, go to tax.hawaii.gov/eservices/.

About this Form

Form G-49 is designed for electronic scanning that permits faster processing with fewer errors. To avoid delays:

1. Print amounts only on those lines that are applicable.
2. Use only a black or dark blue ink pen. Do not use red ink, pencils, felt tip pens, or erasable pens.
3. Because this form is read by a machine, please print your numbers inside the boxes like this:

1	2	3	4	5	6	7	8	9	0	X
---	---	---	---	---	---	---	---	---	---	---

4. Do NOT print outside the boxes.
5. Fill in ovals completely. Do not ✓ or ✗ the ovals.
6. Do NOT enter cents. All numbers that are required to be rounded to the nearest dollar should NOT be printed over the zeros used to designate cents.
7. Do NOT use dollar signs, slashes, dashes or parentheses in the boxes.

8. We recommend that you print a new form from our website (tax.hawaii.gov) each time you need it. The form's QR code is necessary to process the return. Excessive photocopying of a photocopy will degrade the QR code, and the QR code will become unreadable.

9. Please use a color printer and print in color.

Rounding to Whole Dollars in Columns a, b, and c

The Department is requiring taxpayers to round off cents to the nearest whole dollar for all dollar entries in Columns a, b, and c. To do so, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar. For example: \$1.49 becomes \$1 and \$2.50 becomes \$3. If you have to add two or more amounts to figure the amount to enter in the column, include the cents when adding and round off only the total.

CAUTION: DO NOT enter the cents in Columns a, b, and c. The system will read all numbers entered as whole dollar amounts.

When Form G-49, Column b is Greater Than Column a

In the event that your exemptions (Column b) for the period exceeds your gross income (Column a), enter the result in Column c. Be sure to darken the "Neg" box to the right of the amount field to indicate that the amount is a negative number.

Figure 2. How to Fill in the Columns for General Excise and Use Taxes

PART I — GENERAL EXCISE and USE TAXES @ ½ OF 1% (.005) (Figure 2)

Report your business activities for the tax year that are subject to the GET/Use tax at the rate of 0.5% in Part I.

Step 5 — Enter the gross income from all your business activities in Column a on the appropriate business activity lines. If you did not derive any income from your business activities during the year, enter zero (0) on the applicable lines.

For example, if you correctly reported \$1,000 in gross income on Wholesaling for both the first and second semiannual periods, then the gross income reported on Wholesaling on the annual return will be \$2,000 (\$1,000 + \$1,000).

If a promoter, a contractor, or other person withheld general excise or use tax and paid it to the Department on your behalf, include the amount of gross income on which the tax was withheld.

Since the annual return is a reconciliation of the “actual” gross income, exemptions, taxable income, and taxes due with the “reported” figures filed on the periodic returns, entries on the annual return will differ from the periodic returns if an error was made on a periodic return.

Step 6 — If you have allowable exemptions, enter the total in Column b on the appropriate business activity line(s). If you do not have any exemptions, enter zero (0) on the applicable line(s).

As in Step 5, the amounts and types of exemptions listed will be the sum of the “actual” allowable exemptions for the entire year.

If you are claiming exemptions in Column b, complete Schedule GE (Form G-45/G-49), General Excise/Use Tax Schedule of Exemptions and Deductions.

IMPORTANT: Most deductions allowed on net income tax returns (for example operating expenses or cost of goods sold) are NOT deductible on the GET returns.

Step 7 — For each activity you engage in, subtract Column b from Column a, and enter the result in Column c, Taxable Income. If the result is zero, enter zero (0). If the result is a negative amount, be sure to darken the “Neg” box to the right of the amount field to indicate that the amount is a negative number.

As in Step 5 above, the amount and types of exemptions will be the sum of the “actual” allowable exemptions for the entire year.

Step 10 — Subtract Column b from Column a, and enter the result in Column c, Taxable Income. If the result is zero, enter zero (0). If the result is a negative amount, be sure to darken the “Neg” box to the right of the amount field to indicate that the amount is a negative number.

Step 11 — Add the taxable income amounts in Part I, Column c. Enter the result on line 7 and on page 2, line 21, Column a (see Figures 3 and 8). **Reminder:** This amount is rounded to the nearest dollar.

A casual sale means an occasional, isolated, irregular, infrequent, or incidental sale or transaction involving tangible personal property that is not ordinarily sold in the usual course of a trade or business. For details, see section 18-237-1, HAR. Do not report these amounts. (Section 237-2.)

Report and explain these amounts. (Section 237-16.8.)

Report and explain these amounts. (Section 209E-11.) **Caution:** Not all sales which count towards an EZ company's qualification for the tax benefits as set by DBEDT are exempt from the GET since some types of sales can be used in determining whether an EZ company has met the annual requirements for certification, but those same sales may not necessarily be exempt from the GET. For example, retail sales of agricultural goods produced or processed in the EZ will count towards an EZ company's annual certification, but the sales are not exempt from the GET, unless they are sales of genetically modified agricultural products.

Exported Services: The value or gross proceeds received by a contractor, service provider, or seller from the sale of contracting or services to a customer for resale, consumption, or use outside of the State are exempt, provided the customer furnishes Form G-61 certifying as such to the contractor, service provider, or seller. If the amount claimed is exempt due to federal preemption, provide an explanation of the exemption and the federal statute (i.e., title and section of the United States Code) under which the exemption is claimed. (Section 237-22.)

If your business earns interest from buying U.S. Treasury obligations or similar instruments, check TIR No. 84-1 for a list of obligations for which interest is exempt. If the kind of bond or obligation that you have is listed as exempt, please identify the type of obligation that it is, and refer to "TIR No. 84-1" in your explanation of the exemption.

DIVISION OF GROSS INCOME AMONG TAXPAYERS

In general, as mentioned above, the GET is imposed on gross income and no deductions are allowed for costs of producing that income. In the following special situations, however, the law recognizes the division of gross receipts among the taxpayers responsible for those receipts. Taxpayers in these situations report their respective shares of the gross income received.

Coin Operated Devices: Gross receipts are divided between the owner (or operator) of the device and the owner (or operator) of the premises on which the machine is located. (Section 237-18(a).)

Insurance Agents and Realtors: Gross commissions are divided among licensed non-employee insurance agents, or among licensed

non-employee realtors. (Section 237-18(e).) Generally, commission sellers pay tax on commissions earned, and the principal pays tax on gross sales, not the amount net of commissions.

Motor Carriers: Where the transportation of passengers or property is furnished through arrangements between motor carriers, the gross income received for the transportation services is divided between the motor carriers. (Section 237-18(h).)

Producers and Promoters: When a person furnishing or producing an event or spectacle (such as a film distributor) and a promoter (such as a theater owner) stage an event, the promoter pays the tax and withholds the producer's share of the tax from the portion of the income payable

to the producer. If the producer is a tax exempt entity, such as a properly registered nonprofit organization, then the promoter is not taxed on the producer's share of the income and the promoter does not have to withhold tax. (Section 237-18(b).)

Tour Packagers: Gross revenues can be divided between a tour packager or travel agent and a provider of tourism related services. (Section 237-18(f).) In addition, gross revenues can be divided between a tour packager and a provider of transient accommodations at noncommissioned negotiated contract rates. (Section 237-18(g).) For more information, see TIR No. 91-8 and Attorney General Opinion 65-6.

SCHEDULE OF USE TAX EXEMPTIONS AND DEDUCTIONS

(NOTE: ALL SECTION REFERENCES ARE TO THE HAWAII REVISED STATUTES)

Unless the following instructions tell you not to report the exempt amounts, you must report on Schedule GE (Form G-45/G-49) the exemptions you are claiming on Forms G-45 and G-49. For circumstances under which an exemption is permitted or allowed, refer to the following sections:

Air Pollution Control Facility: Gross proceeds from, and the tangible personal property furnished in conjunction with the construction, reconstruction, erection, operation, use, or maintenance of an air pollution control facility (APCF) are exempt. The APCF must be certified by the Department of Health (DOH) at least once every five years and file this certification with the Department of Taxation (DoTax). An exemption may not be claimed if the APCF does not have a valid certificate from the DOH on file with the DoTax. Report and explain these amounts. (Section 238-3(k).)

Aircraft Service and Maintenance Facility: Materials, parts, or tools imported or purchased by a person with a GET license and which are used for certain types of aircraft service and maintenance, or for the construction of a qualified aircraft service and maintenance facility, are exempt. Report and explain these amounts. (Section 238-1.)

Casual Purchases: A sale of tangible personal property by someone not in the business of selling the property is called a casual sale. (See "Casual Sales," discussed under the Schedule of General Excise Tax Exemptions and Deductions.) Because gross income derived from a casual sale is excluded from gross income subject to the GET, the landed value of tangible personal property acquired in a casual sale also is not subject to the use tax. For example, if you purchase a used car from an individual selling his or her personal car and import that car into Hawaii, report the landed value of the car but claim this exemption. (Section 238-1.)

Contracting: A contractor importing contracting that will become identifiable elements of the project is exempt provided that the contractor

is subject to the GET as a contractor and the contractor would have been able to deduct the amounts paid to the subcontractor if the subcontractor was subject to the GET. Report and explain these amounts. See TIR No. 2009-02 for more information. (Section 238-2.3(1)(C).)

Diplomats and Consular Officials: The use of property, services, or contracting imported by foreign diplomats and consular officials holding cards issued by the U.S. Department of State granting them an exemption from state taxes are exempt. Report and explain these amounts. (Section 238-1.) The tax exemption, however, is not applicable to taxes imposed on telecommunication services, other utilities, or gasoline purchases. For more information, see Department of Taxation Announcement Nos. 2000-07, 2011-25 and 2013-03.

Director of Taxation's Authority to Exempt, Exclude or Apportion the Use Tax: Imports of property, services, or contracting to the extent that the GET would have applied to a similarly-situated taxpayer engaged in a local transaction. The Director of Taxation (Director) has the authority to:

- (1) Exempt or exclude from the use tax, property, services, or contracting, or the use of property, services, or contracting exempted from the GET; or
- (2) Apportion the gross value of services or contracting sold to customers within the State by persons engaged in business both within and without the State to determine the value of that portion of the services or contracting that is subject to the GET or the purposes of section 237-21.

The Director will use the authority to exempt, exclude, or apportion the value of imported property, services, or contracting when an exemption, exclusion, or apportionment of gross receipts would be allowed under the General Excise Tax Law in the case of a similar local transaction. (Section 238-3(a).)

Drugs and Prosthetic Devices for Personal Use: If you are an individual who bought drugs or prosthetic devices from a hospital, infirmary, medical clinic, health care facility, pharmacy, or a practitioner licensed to administer the drug to an individual, the landed value of the drugs or prosthetic devices is exempt from use tax. Do not report these amounts. (Section 238-1.)

Producers: Certain property used by licensed producers is either taxed at a ½% rate or is exempt, depending on whether the imported property is going to be resold at retail. For example, if a farmer sells eggs to grocery stores as well as to neighbors and friends, then the chicken feed the farmer imports is taxed. That portion of the feed used to feed chickens whose eggs the farmer consumes is imported for consumption, and is reported on the "Use Tax on Imports For Consumption" line in Part II of Forms G-45 and G-49. The portion attributable to retail sales is imported for resale, and is reported on the "Use Tax on Imports For Resale at 4%" line in Part I of Forms G-45 and G-49. The remainder is imported for wholesale, and is exempt; include those amounts on the "Use Tax on Imports For Resale at 4%" line in Part I of Forms G-45 and G-49, Columns a and b, and report this on Schedule GE (Form G-45/G-49). (Section 238-4.) For more information, see HAR section 18-238-4.

Scientific Use Property: Property which is to be affixed to, or which is to become a physical, integral part of a scientific facility, or which is to be entirely consumed during the performance of a service required by a scientific contract with the United States Government, is exempt. Report and explain these amounts. (Section 238-3(j).) For more information, see TIR No. 35-71.

Services or Contracting to Foreign Customers: The use of services or contracting imported for resale to a foreign customer who will resell, consume or use the service or contracting outside of the State is exempt. Report and explain these amounts. (Section 238-2.3(1)(C).)

SCHEDULE OF COUNTY SURCHARGE EXEMPTIONS AND DEDUCTIONS

(NOTE: ALL SECTION REFERENCES ARE TO THE HAWAII REVISED STATUTES UNLESS NOTED)

Taxpayers with certified disabilities are not subject to the County Surcharge.

The City and County of Honolulu Surcharge (County Surcharge) is imposed on Oahu taxable income that is subject to the General Excise or Use Tax at the rate of 4%. (Section 237-8.6.) You must report on Schedule GE (Form G-45/G-49) the exemptions you are claiming on Forms G-45 and G-49. For circumstances under which an exemption is permitted or allowed, refer to the following sections:

Certain contracts: Written contracts entered into before June 30, 2006 that do not allow for the passing on of increased rates of taxes are exempt from the County Surcharge. Report and explain these amounts. (Section 237-8.6(c).)

Certain Oahu Sales: Amounts of sales assigned to the Oahu Taxation District by a seller who does not have Oahu nexus are exempt. Report and explain these amounts. For more information, see section 18-237-8.6, HAR.

Sublease deduction: The amount of rent paid to a landlord that is subleased to a tenant and is not deducted from GET gross receipts under section 237-16.5 is not subject to the County Surcharge. Since these amounts are effectively taxed at ½ of 1%, the County Surcharge does not apply. The amount of the County Surcharge sublease deduction is computed on Form G-72, line 6. Report and explain these amounts.

Wholesale amusements: The amount of wholesale amusements not deducted from GET gross receipts under section 237-4(a)(13) is not subject to the County Surcharge. Since these amounts are effectively taxed at the rate of ½ of 1%, the County Surcharge does not apply. The amount of the County Surcharge deduction is computed on Form G-81, line 6. Report and explain these amounts.
