

Section 3 (Continued) Reason for Offer

Explanation of Circumstances (Attach additional pages, if needed)

The Department of Taxation understands that there are unplanned events or special circumstances, such as serious illness, where paying the full amount or the minimum offer amount might impair your ability to provide for yourself and your family. If this is the case and you can provide documentation to prove your situation, then your offer may be accepted despite your financial profile. Describe your situation below and attach your supporting documentation to this form.

Section 4 Low-Income Certification (Individuals Only)

Do you qualify for low-income certification? You qualify if your gross monthly household income is less than or equal to the low-income certification guidelines published by the Internal Revenue Service (IRS) at the time your offer is submitted to the Department of Taxation.

Check here if you qualify for low-income certification based on the monthly income guidelines printed on federal Form 656. Then enter your information in the spaces below.

Section 6**Offer Terms**

By submitting this offer, I/we have read, understand and agree to the following terms and conditions:

1. I request that the Department of Taxation (Department) accept the offer amount listed in this offer application as payment of my outstanding tax debt (including interest, penalties, and additions to tax) as of the date listed on this form. I authorize the Department to amend Section 2 on page 1 in the event that I failed to list or incorrectly listed any of my assessed tax debt.
2. I voluntarily submit the payments made on this offer and understand that they are not refundable even if I withdraw the offer or the Department rejects or returns the offer. The Department will keep all payments and other credits it has collected prior to this offer and any payments that I make relating to this offer.
3. I understand that the Department will keep all payments, credits, refunds, including interest, that I might be due for tax periods extending through the calendar year in which the Department accepts my offer. I cannot designate that these amounts be applied to estimated tax payments for the following year or the accepted offer amount. If I receive a refund after I submit this offer for any tax period extending through the calendar year in which the Department accepts my offer, I will return the refund immediately to the Director of Taxation (Director).
4. The payments and all other amounts kept by the Department shall be applied to my tax debt in the best interest of the State and in a manner consistent with section 231-27, Hawaii Revised Statutes.
5. If I fail to meet any of the terms of this offer, the Department may take collection actions against me without further notice. These actions may include, but are not limited to levying my property, filing a civil suit against me, garnishing my wages, and referral to a private collection agency. The Department will attempt to collect any amount ranging from the unpaid balance of the offer to the original amount of the tax debt, interest on the unpaid balance at the rate of 8 percent per year, and cost recovery fees. If I fail to meet any terms of this offer, I waive the right to contest, in court or otherwise, the amount of the tax debt.
6. I understand that my offer does not relieve me of the tax liabilities (including interest, penalties, and additions to tax) listed in this offer unless and until it is actually accepted in writing by the Director or the Director's authorized representative, approved by the Governor (where applicable), and the terms of the offer have been satisfied. Once the Department accepts my offer in writing, I waive all rights to contest, in court or otherwise, the amount of the tax debt.
