

STATE OF HAWAII - DEPARTMENT OF TAXATION
INSTRUCTIONS FOR FORM N-330
CREDIT FOR SCHOOL REPAIR AND MAINTENANCE

GENERAL INSTRUCTIONS

PURPOSE OF FORM

Use Form N-330 to figure and claim the credit for school repair and maintenance under section 235-110.2, Hawaii Revised Statutes (HRS).

WHO MAY CLAIM THIS CREDIT

Each taxpayer licensed under chapter 444, 460J, or 464, HRS, who is subject to Hawaii income taxes, and who does not owe delinquent taxes, penalties, or interest, may claim a nonrefundable credit for the value of contributions of in-kind services for the repair and maintenance of public schools provided by the licensed taxpayer in Hawaii. The credit shall be deductible from the taxpayer's net income tax liability, if any, for the taxable year in which the credit is properly claimed.

FLOW-THROUGH ENTITIES

In the case of a taxpayer licensed under chapter 444, 460J, or 464, HRS, who is also a partnership, S Corporation, estate, or trust, the credit is allowable for the value of contributions of in-kind services for the repair and maintenance of public schools provided by the entity. The cost upon which the credit is computed is determined at the entity level. Form N-330 shall be completed and attached to the entity's return. Each partner, S Corporation shareholder, or beneficiary of an estate or trust shall separately report its share of the credit (amount on the Schedule K-1 given to them) on their own Form N-330. Attach Schedule K-1 and their completed Form N-330 to the separate return.

CREDIT REQUIREMENTS

For purposes of the credit:

"Value of contributions of in-kind services" means the fair market value of uncompensated services or labor as determined and certified by the Department of Education.

"Public schools" has the same meaning as defined in section 302A-101. (All academic and noncollege type schools maintained by the Department of Education in accordance with law.)

The Department of Education shall maintain records of the names of taxpayers eligible for the credit and the total value of in-kind services contributed for the repair and maintenance of public schools for the taxable year. All contributions shall be verified by the Department of Education. The Department of Education shall total all contributions that the Department certifies. Upon each determination, the Department of Education shall issue a certificate to the taxpayer certifying:

- (1) The amount of the contribution;
- (2) That the taxpayer is licensed under chapter 444, 460J, or 464; and
- (3) That the taxpayer has obtained a current and valid certificate signed by the Director of Taxation, showing that the taxpayer does not owe the State any delinquent taxes, penalties, or interest.

The taxpayer shall attach the certificate from the Department of Education to the taxpayer's tax return. When the total amount of certified contributions reaches \$2,500,000, the Department of Education shall immediately discontinue certifying contributions and notify the Department of Taxation.

The State shall provide not more than \$250,000 in tax credits for contributions of in-kind services in Hawaii for the repair and maintenance of public schools.

The amount of the credit for the taxable year shall be equal to ten percent of the value of contributions of in-kind services to the Hawaii school repair and maintenance fund for that taxable year; provided that the aggregate value of the contributions of in-kind services claimed by a taxpayer shall not exceed \$40,000.

The credit allowed shall be claimed against net income tax liability for the taxable year. A tax credit which exceeds the taxpayer's income tax liability may be used as a credit against the taxpayer's income tax liability in subsequent years until exhausted.

To claim the credit, you must complete and attach to your Hawaii income tax return:

- (1) Form N-330
- (2) Schedule CR (For tax returns for which Schedule CR is required.)

- (3) Schedule K-1 (Required only if you are claiming a distributive share of a credit from a partnership, S Corporation, estate, or trust.)

Even if you are not able to use this credit because your tax liability on line 16 is zero, file the forms listed above with your Hawaii tax return to claim and carryover your unused credit. If the forms are not attached, then no claim for the credit has been made, and you will lose the carryover of your unused credit.

DEADLINE FOR CLAIMING THE CREDIT

The deadline to claim the credit, including amended claims, is 12 months after the close of your taxable year. You cannot claim or amend the credit after the deadline.
