RE: Tax Law Changes from the 2023 Regular Legislative Session

This Announcement summarizes the measures passed during the Regular Legislative Session of 2023 that amend or affect State tax laws.

### **Act 48: Extension for Adoption of County Surcharge**

Act 48 (House Bill 1363, H.D. 3, S.D. 2, C.D. 1) extends the period in which Maui County may adopt a surcharge on state tax from March 31, 2019 to December 31, 2023. Any surcharge adopted after December 31, 2022 shall be used only for housing infrastructure. Act 48 also authorizes counties with a population equal to or less than 500,000 that have adopted a surcharge prior to March 31, 2019 (*i.e.*, Kaua'i and Hawai'i counties) to amend their ordinances to change the authorized uses of surcharge revenues to include housing infrastructure. Act 48 became effective on June 1, 2023.

### **Act 50: Establishment of Passthrough Entity Tax and Tax Credit**

Act 50 (Senate Bill 1437, S.D. 1, H.D. 2, C.D. 1) amends chapter 235, Hawaii Revised Statutes (HRS), to allow partnerships and S corporations to annually elect to pay Hawai'i income taxes at the entity level. An electing pass-through entity (PTE) will be liable for Hawai'i income tax on the sum of all eligible members' distributive shares and guaranteed payments of Hawai'i taxable income, multiplied by the highest rate of tax applicable to the individual under section 235-51, HRS.

Eligible members of an electing PTE may claim a nonrefundable income tax credit for their *pro rata* share of PTE taxes paid by the entity. Additionally, residents and part-year residents are entitled to a nonrefundable credit for their share of taxes paid to another state or to the District of Columbia on income of any partnership or S corporation, so long as the taxes paid to the other state are found to be substantially similar to the taxes imposed by Act 50.

Act 50 is effective on January 1, 2024 and applies to taxable years beginning after December 31, 2022.

### **Act 56: Income and Estate Tax Conformity**

Act 56 (House Bill 1100, H.D. 1, S.D. 2) updates section 235-2.3(a), HRS, to conform to

the operative sections of subtitle A, chapter 1, of the Internal Revenue Code of 1986 (IRC), as amended as of December 31, 2022. Act 56 also updates section 236E-3, HRS, to conform to operative sections of subtitle B of the IRC, as amended as of December 31, 2022.

Additionally, Act 56 amends section 235-2.3(b)(40), HRS, to conform to IRC section 1341, which provides relief for taxpayers when an item of income reported in an earlier tax year at a higher tax rate is returned in a subsequent year at a lower tax rate if it is determined that the taxpayer did not have an unrestricted right to the item of income when reported.

Act 56 became effective on June 5, 2023 and applies to taxable years beginning after December 31, 2022 and to decedents dying or taxable transfers occurring after December 31, 2022, except for the amendments to section 235-2.3(b)(40), HRS, which apply to taxable years beginning after December 31, 2021.
