HAWAII INDIVIDUAL INCOME TAX STATISTICS FOR TAX YEAR 2019 NOW AVAILABLE

HONOLULU – The Hawai'i Department of Taxation (DOTAX) has released its Hawaii Individual Income Tax Statistics for the tax year 2019.

The annual report examines data from Hawaii individual income tax returns, which includes Hawaii resident and non-resident taxpayers.

The report provides an overview of income patterns across different demographic information and income sources, return information, as well as other trends relating to individual income for residents and non-residents.

Specific topics covered in the report include a general overview of returns filed, detailed resident and non-resident return statistics, taxable and non-taxable income, conformity with the internal revenue code, state individual income tax legislation, taxpayer demographics, and capital gains income

The Individual Income Tax Statistic report for tax year 2019 can be found on the Department's website at: https://tax.hawaii.gov/stats/a5_1annual/a5_5ind_inc/.
